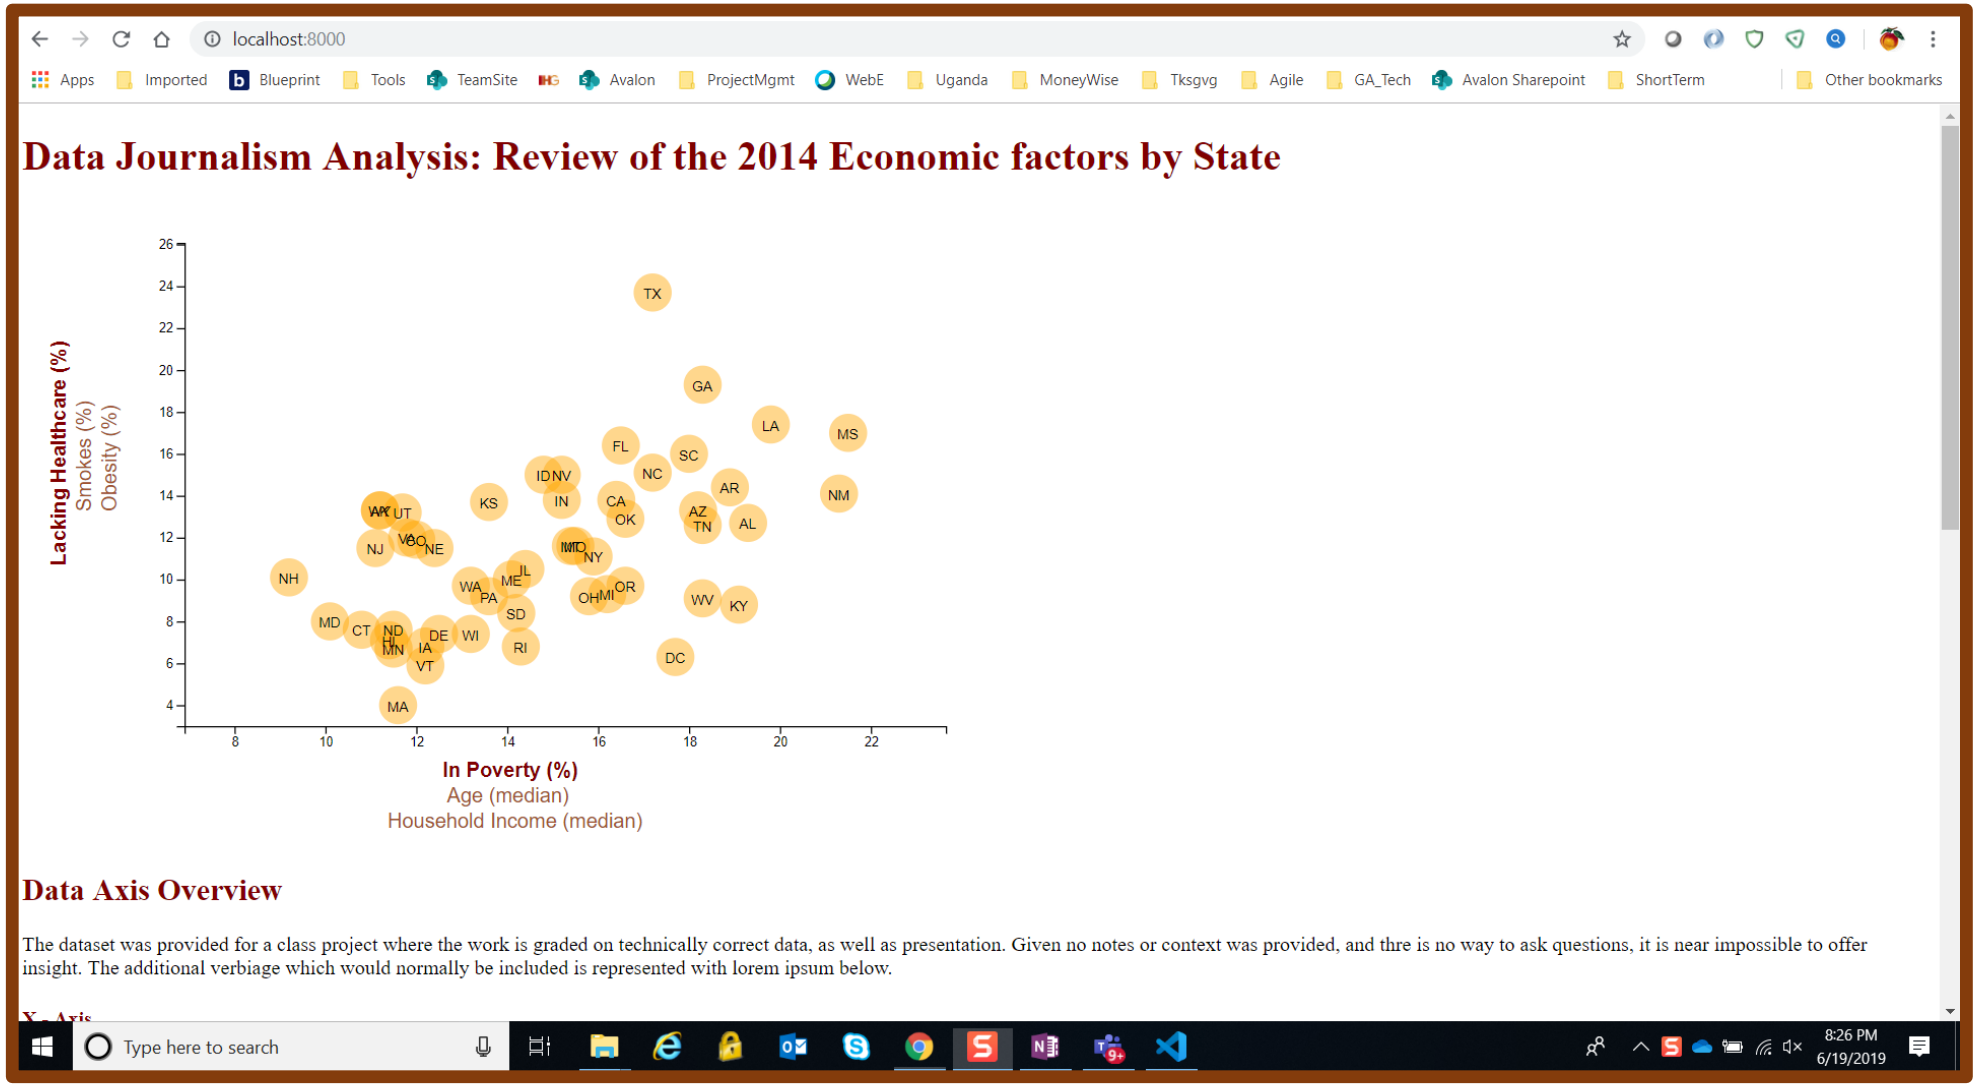
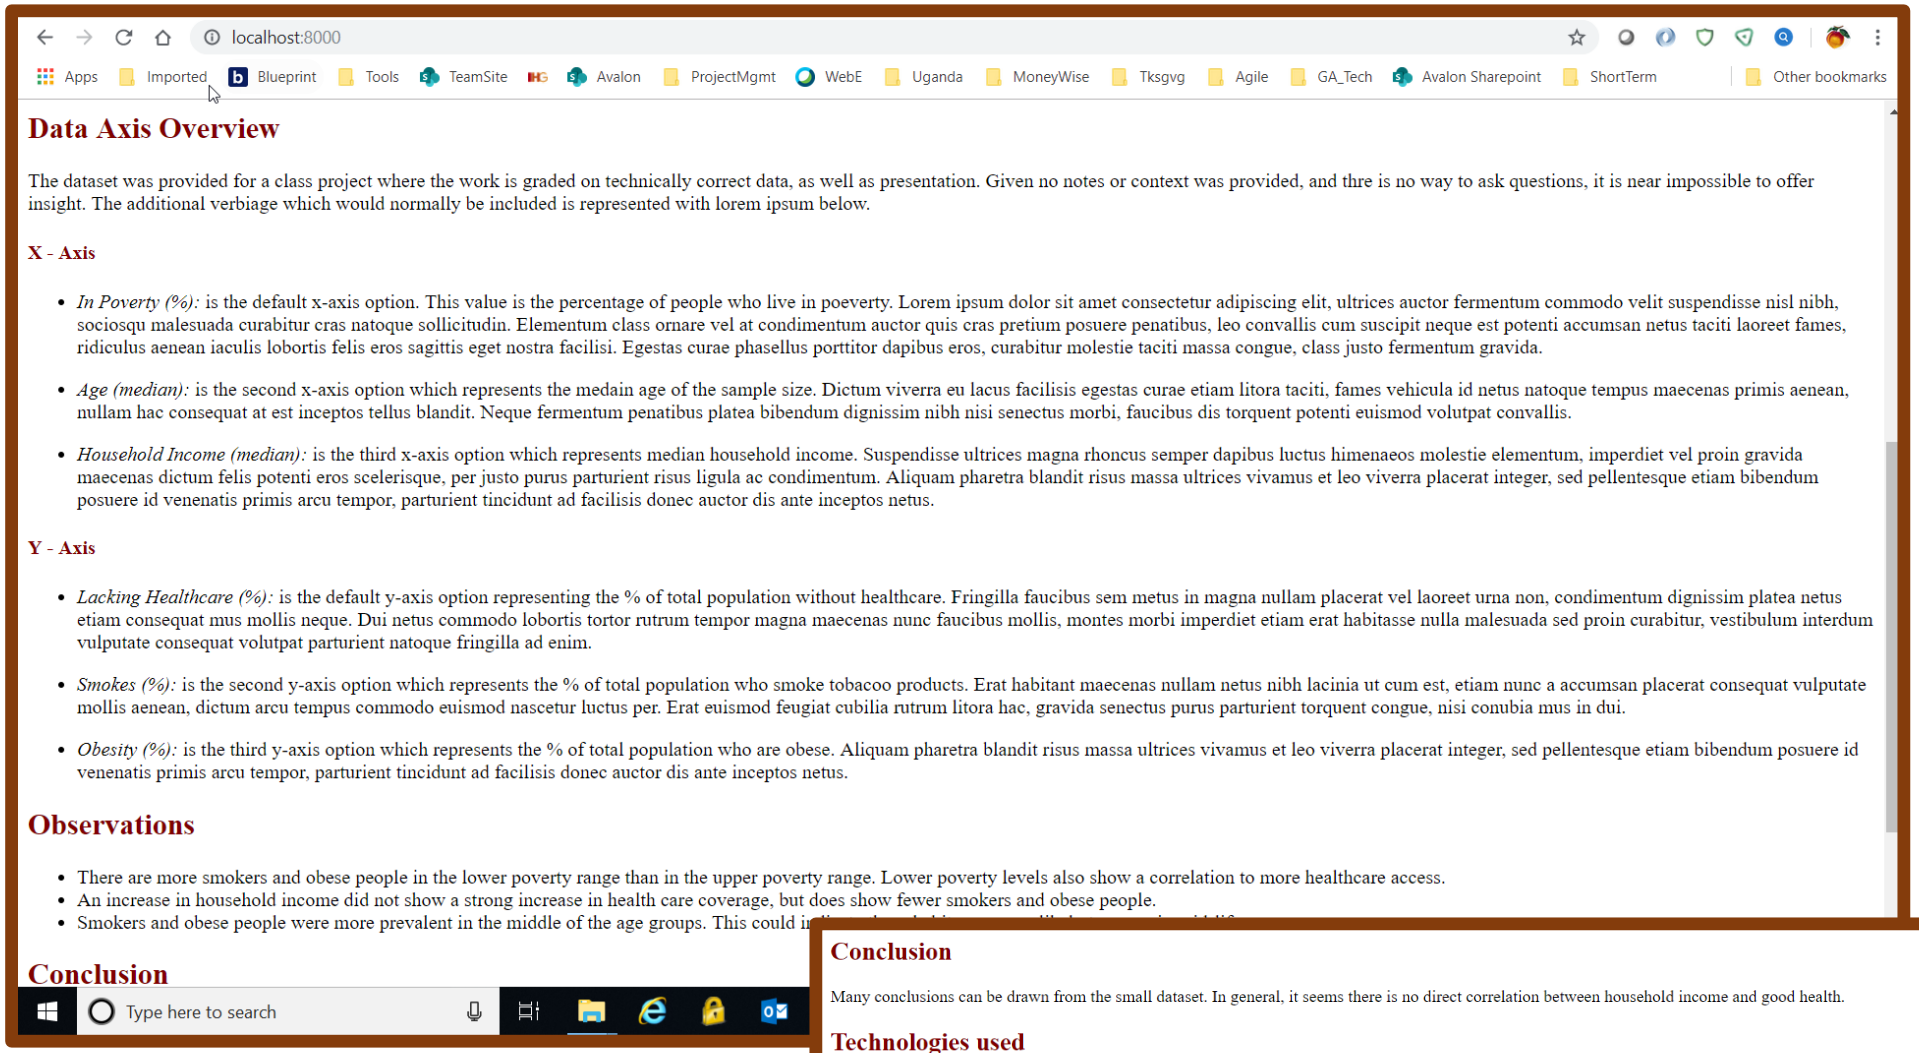
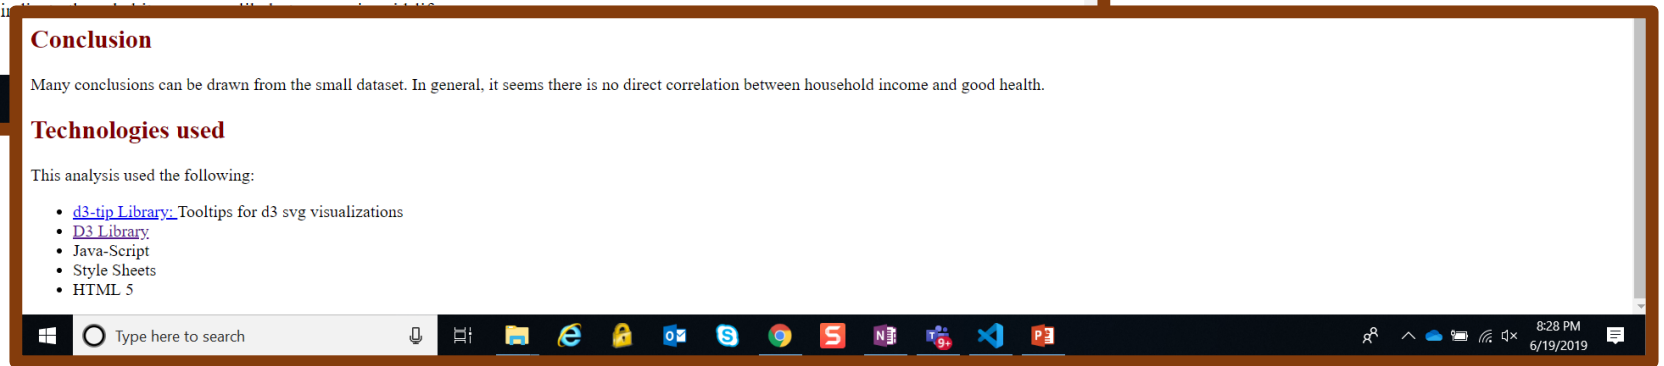
Screen At Initial Launch – localhost (1 of 2)

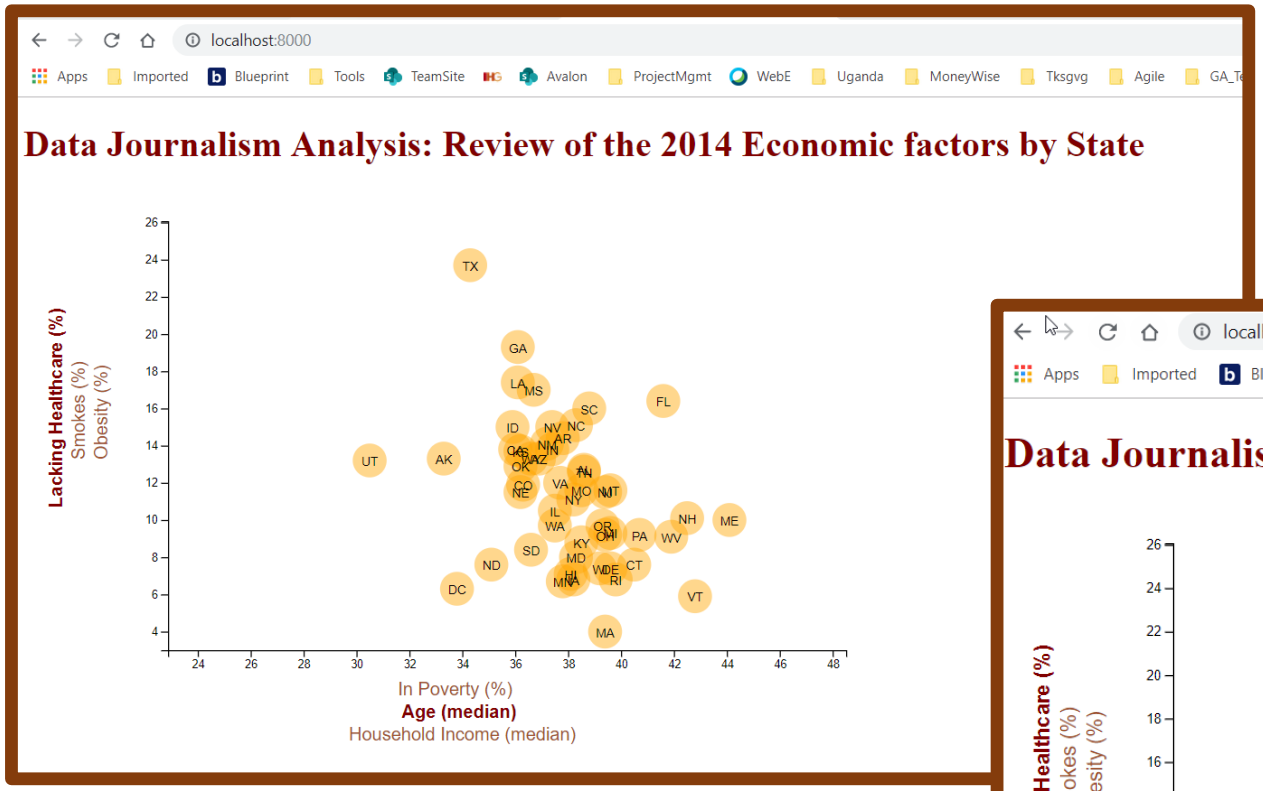


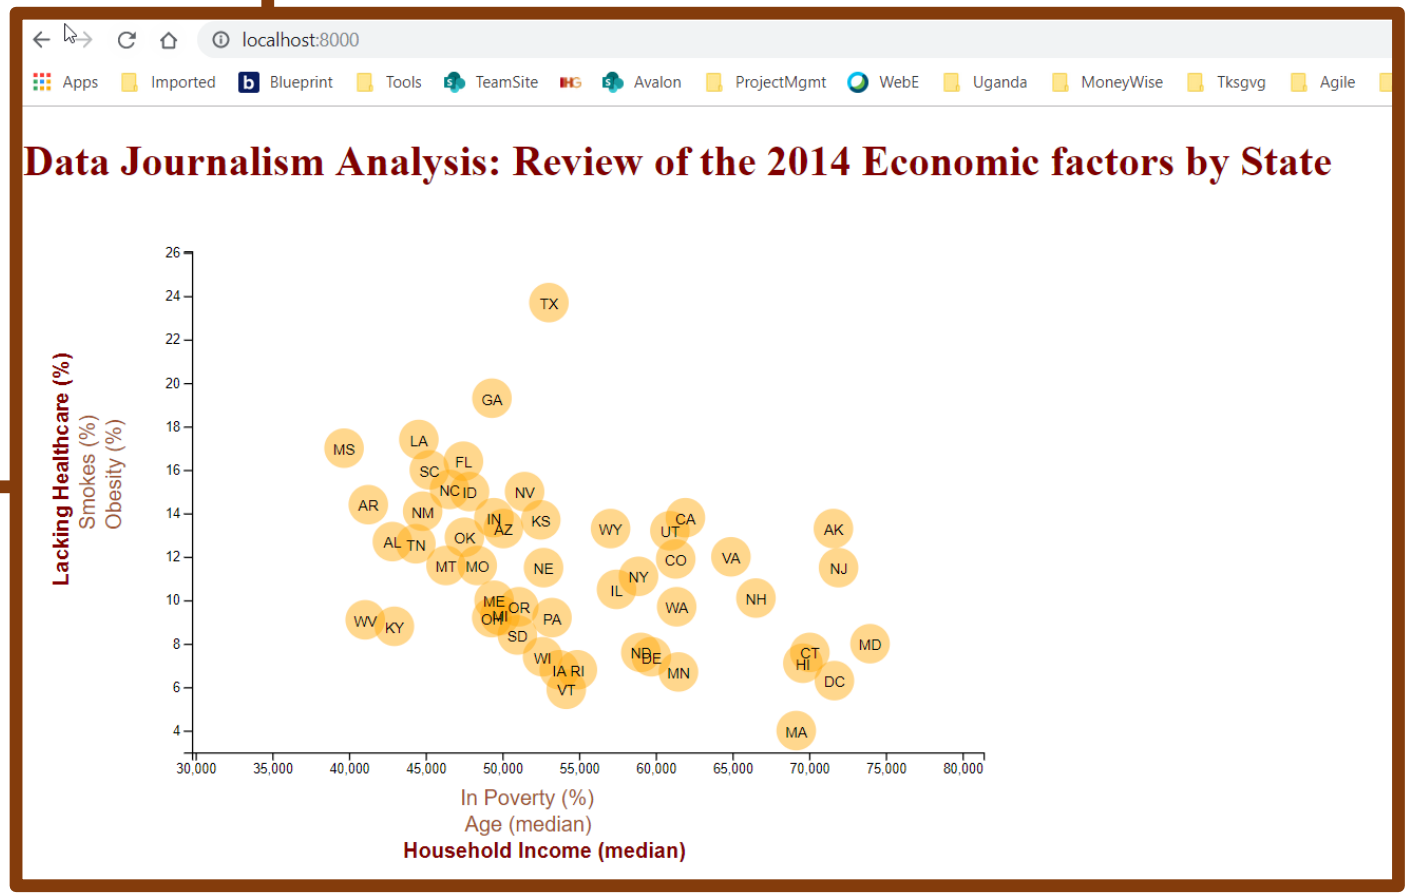
Screen At Initial Launch – localhost (2 of 2)



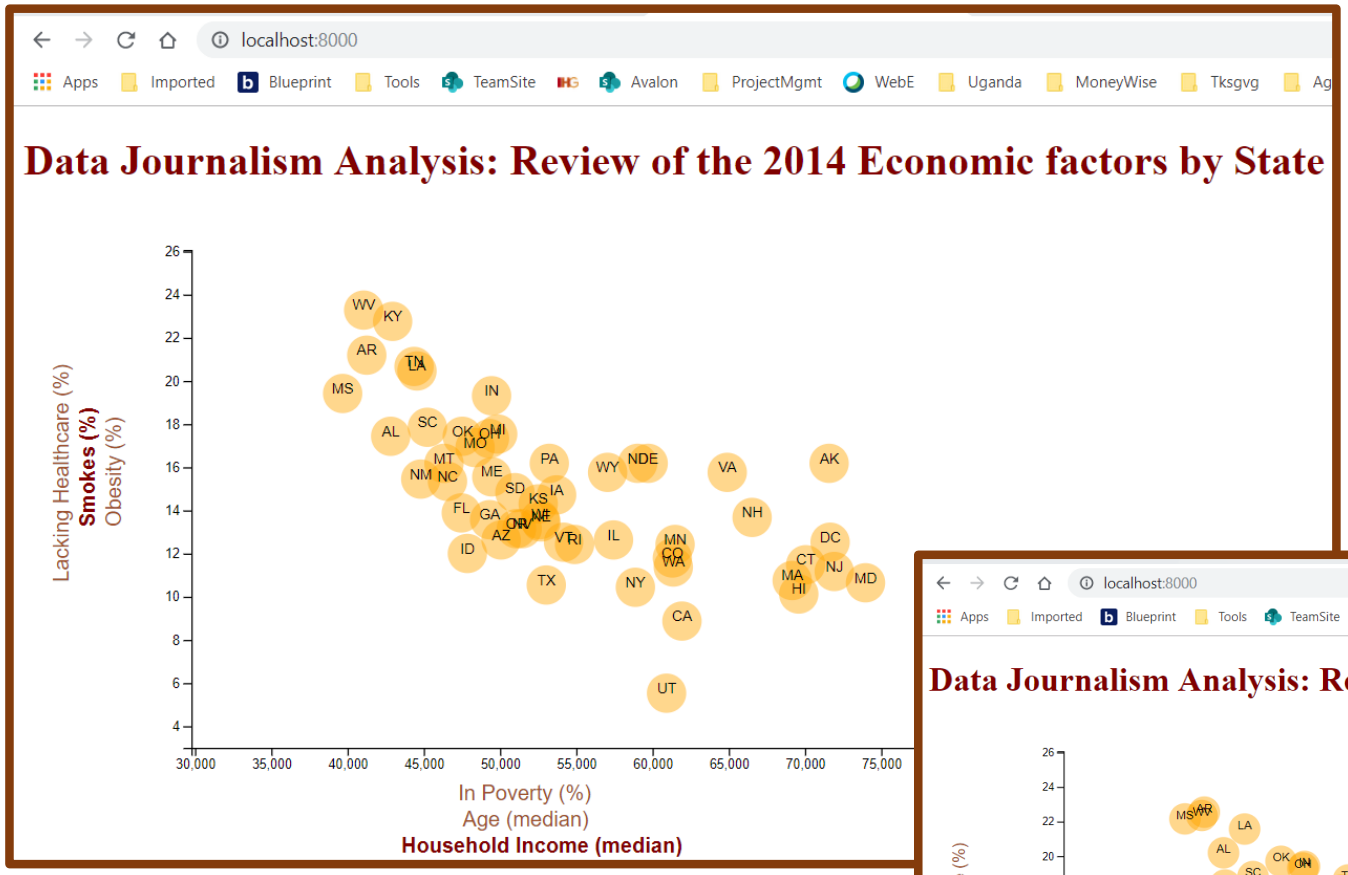


Localhost - Change X Axis



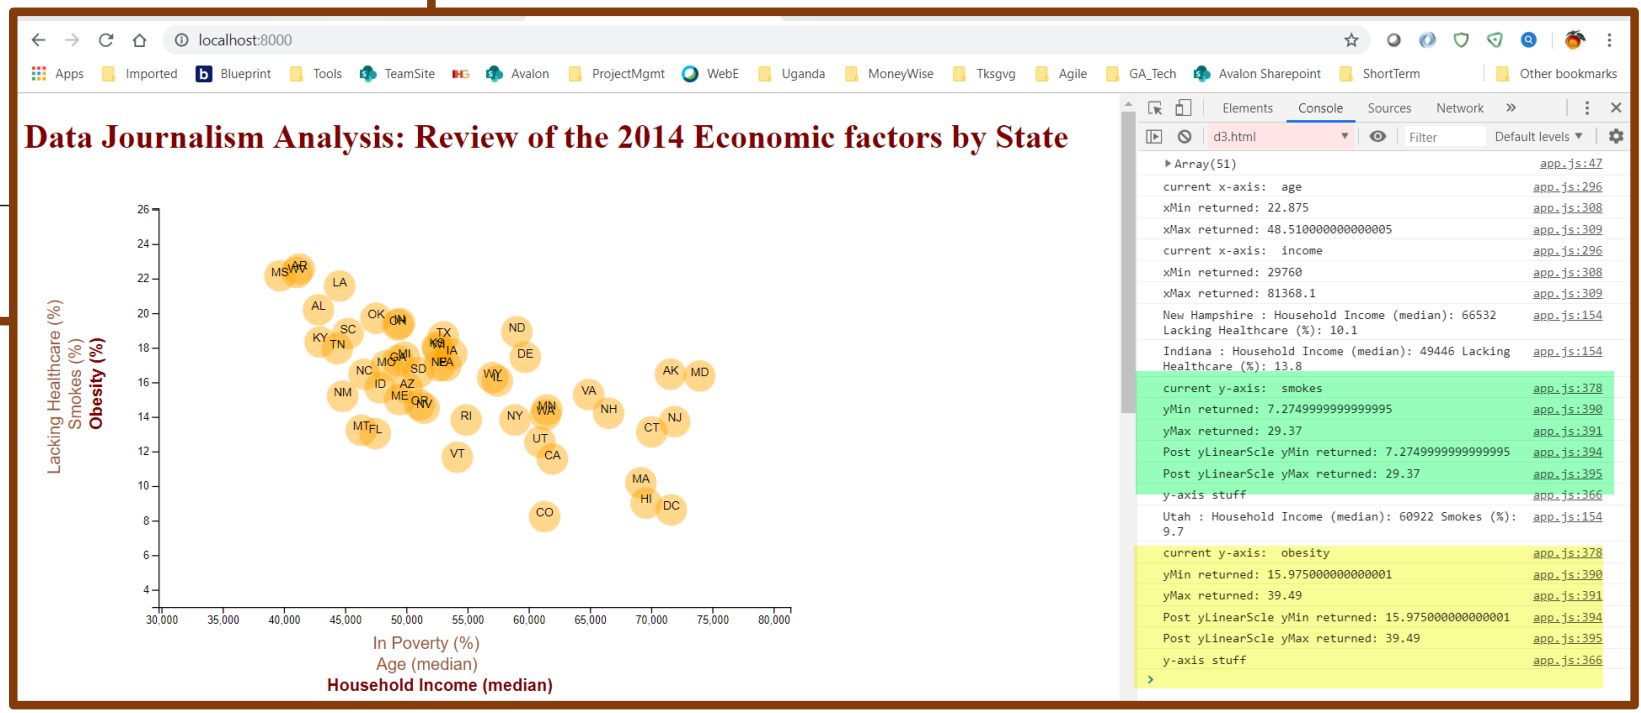


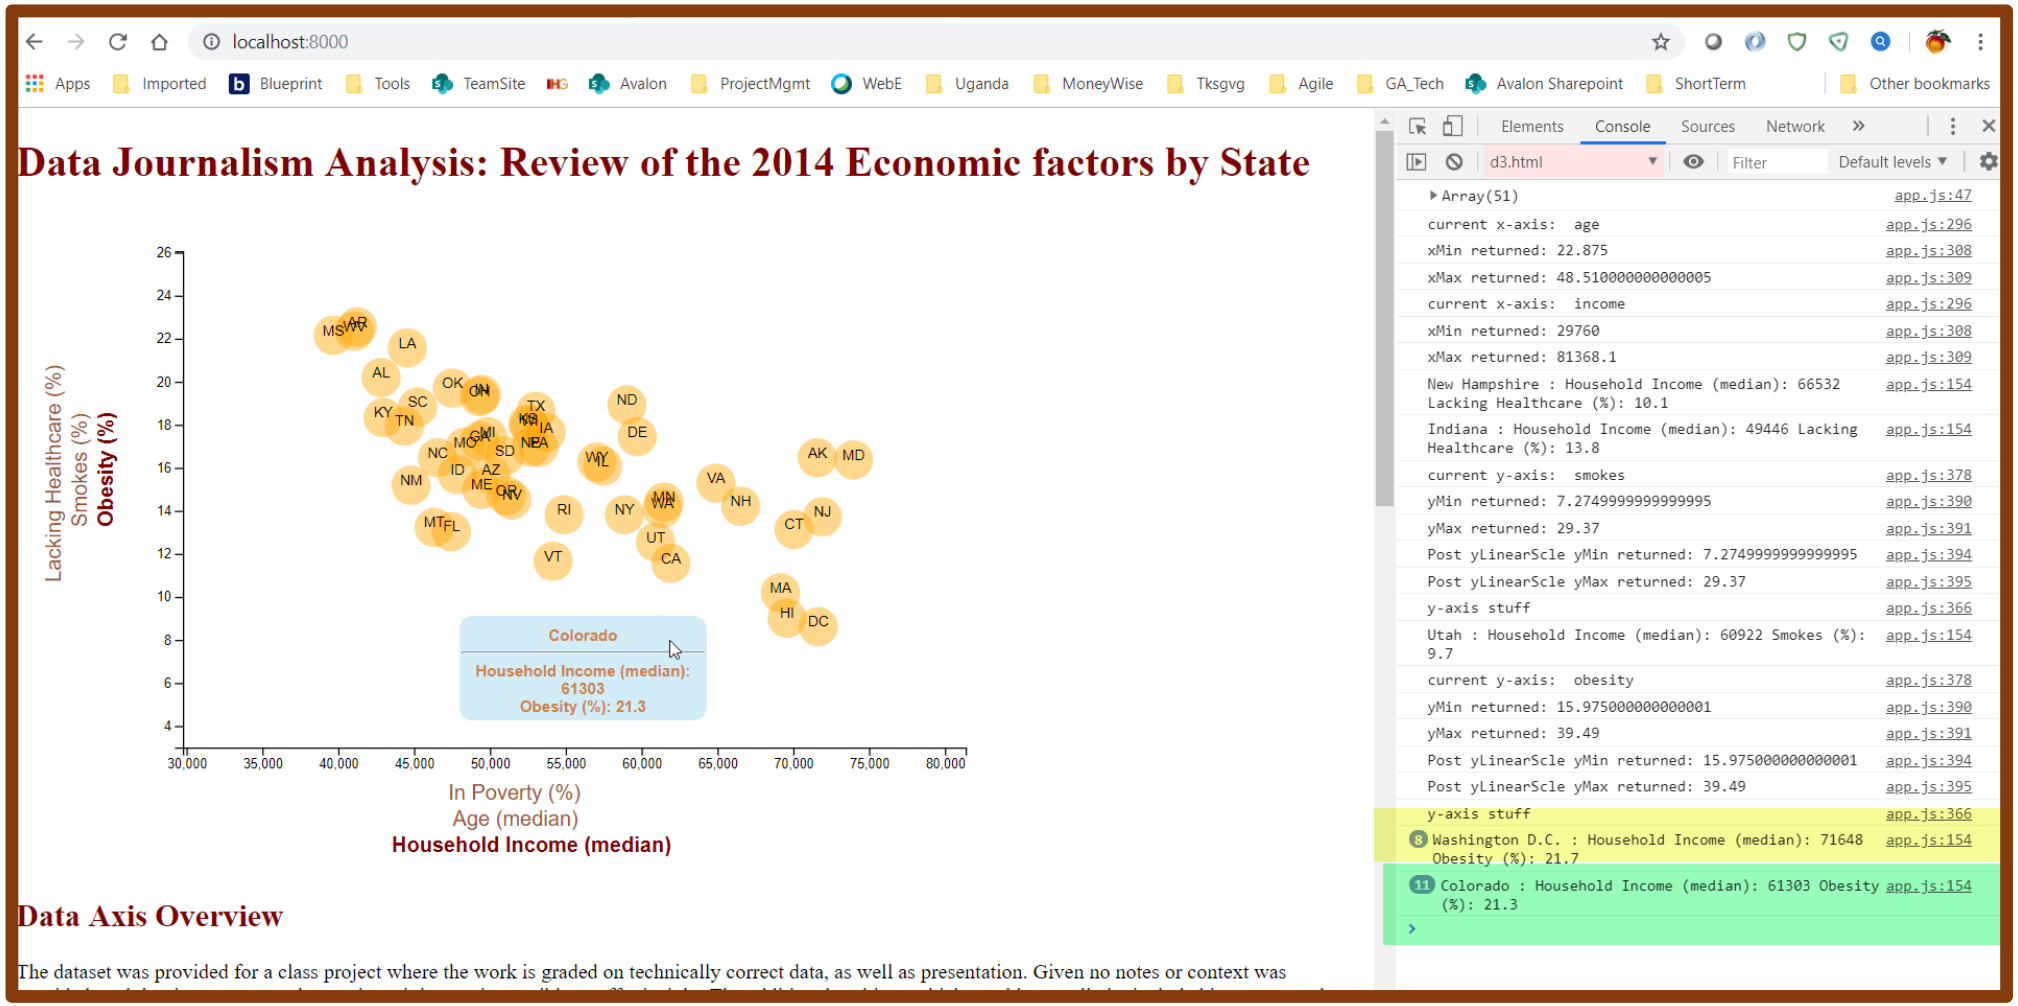
Localhost - Change Y Axis



NOTE: confirmed the y axis values are changing. See the green and yellow highlights for smokes and obesity.

Worked with Ruchi for assistance. We are not able to see why the y axis is not updating with the correct scale.





Localhost - Mouseover a Circle and the details display.
